

Iron ores — Determination of titanium — Diantipyrylmethane spectrophotometric method

ICS 73.060.10

National foreword

This British Standard is the UK implementation of ISO 4691:2009. It supersedes BS 7020-12:1988 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee ISE/58, Iron ores.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 July 2009
